

# Inceiling Tensioned

## Find the inspiration...

The inceiling screen technology meets the extreme flatness of the tensioned screens. Impeccable performances over the years and very low visual impact.

The installation simplified by the easy-cut system makes this dream even more accessible.

The motor, available in its super silent Zero-Db version on request, can be connected to a home automation control system to create to a top-of-the-range integrated equipment.

## Technical details

## Screen characteristics

- totally hidden screen
- easy-cut mounting system
- reliable and silent motor
- remote control on request
- fixing brackets adjustable up to 110 cm height
- excellent flatness of fabrics
- white counterweight
- standard tensioning
- white tensioning on request

## Available fabrics

- White Ice
- Home Vision
- Microperforated
- Grey High Contrast
- Coral retro-projection
